

Genuine

Paslode Impulse Tools

Genuine Paslode tools sold and supported By Paslode Australia.

Designed and manufactured for Australian market and Australian supplied consumables. Technical differences exist between tools sold here and in the USA – tools sold here are guaranteed to be compatible with the full range of fuel and nails sold under the Paslode brand.

Parts available at over 200 warranty agents throughout Australia.

12 months warranty (5 years on some parts) supported locally by Paslode Australia who are part of an organisation that has been in business for almost 100 years.

Warranty can be accessed at over 200 locations nationally.

Comes with a genuine Paslode 240v charging system designed to be compatible with (and ensure longevity of) genuine Paslode batteries.

Comes with 2 genuine Paslode batteries.

US Imports

Paslode Cordless Tools

Paslode tools manufactured for the US market.

Designed for US market and consumables.

Warranty is limited to tools sold and service requested in the United States.

Warranty NOT supported by Paslode for tools sold outside the USA.
