FrameMaster NightWolf

Datasheet

Backed for the long haul

A full 3-year warranty gives you the confidence that NightWolf will go the distance with you.

Less servicing, more nailing

It's built to last with an extended service life - so you spend less time at the repair shop and more time on the tools.

Power. Sustained.

With NightWolf's improved engine lubrication and new fuel recipe, the NightWolf will shoot like a new tool for much longer.

Built to Move with You

NightWolf feels better in hand, full stop. Which means you can be more productive on site than ever before. It's light, better balanced, and designed to move with you - so you can keep firing all day without feeling it the next morning.

Smart Temperature Control

Winter mornings? No drama. NightWolf's electronic controlled fuel dosage means it fires more reliably in hot and cold conditions. Less blank fires in the morning and better power delivery when working the tool hard.

Ready when you are

Check your battery and fuel levels at a glance. Stay ahead of the reload and avoid any on-site surprises.

More shots. Less stops.

With up to 1500 shots per fuel cell, you'll get more done between refuels. That's more frames up with fewer interruptions.

Smarter value on site

*Lower-cost nails and fuel, mean NightWolf doesn't just fire efficiently - it works harder for your wallet too.

INTRODUCING RFID TECHNOLOGY

FrameMaster NightWolf integrates smart Radio Frequency Identification (RFID) technology to provide an accurate fuel level indicator and optimises fuel mixture - ensuring maximum power, performance, and reliability across all temperature conditions.

PASLODE FRAMEMASTER NIGHTWOLF

SPECIFICATIONS

Specification	Value
Product Code	NW580
Tool Weight (with battery)	3.5kg
Fuel Cell Capacity	1,500 nails
Dimensions (L x H x W)	320mm x 396mm x 114mm
Fastener Range	50mm - 90mm
Cycle Rate	1000/hr (2-3/sec. intermittently)
Magazine Capacity	52 nails (approx.)
Magazine Angle	30°
Battery Capacity	9,000 shots per charge
Contents	1 x FrameMaster Nightwolf Tool 2 x Li-ion Batteries 1 x Charger Kit 1 x Safety Glasses 1 x Allen Key
Fuel Cell: only compatible with FrameMaster NightWolf fuel cells	

COMPATIBLE FASTENER RANGE

Product Code	Description
NW555	82X3.15MM SMOOTH HDG NAIL 1,500
NW551	75X3.06MM SMOOTH BRIGHT NAIL 1,500
NW547V	75X3.06MM SMOOTH BRIGHT NAIL 3,000
NW554	75X3.06MM SMOOTH HDG NAIL 1,500
NW569V	75X3.06MM SMOOTH HDG NAIL 3,000
NW552	50X2.87MM SMOOTH HDG NAIL 1,500
NW557	50X2.87MM RING HDG NAIL 1,500

CORDLESS CONVENIENCE

Suitable for Framing, Roofing, Decking, Cladding, Flooring, Eaves, Trusses/Rafters, Joints & Formwork.

Always check manufacturer installation guidelines.

*Compared to traditional Paslode Framing Fuel Nail Packs.
